# KRYSTAL

DESTAINING AGENT FOR MARBLE & FABRICS

## Non-Chlorine Bleaching Agent

**ActiveEco Krystal** is a powerful destainer which is active against a wide variety of common stains including tea, coffee, wine, beverages and food, medication, urine, and other organic substances. It is an excellent colour-safe cleaning booster in laundry procedures for removing stains from fabrics.

## Benefits

- Draws stains from marble surfaces without etching
- Provides powerful oxygen destaining, sanitising, and odour-elimination action
- Significantly gentler on fabrics compared with chlorine-based soaking powders
- Residual-free
- Chlorine-free
- Destains with Peroxygen Technology
- Leaves no odour
