ODOUR CONTROL

NON-TOXIC DEODORISER & SURFACTANT CLEANER

Safe Cleaning

Triple7 Odour Control is an all-in-one bio-based cleaner/deodoriser that cleans and destroys odours without using traditional toxic chemicals. **Triple7 Odour Control** cleans without damaging cleaning surfaces, seals, rubbers, and pipework systems.

Triple7 Odour Control is readily biodegradable and may be used in the production of organic food & fibre. Maintains eco-system balance. Protects wetlands. Reduces soil, air and water pollution.

Enhances and Improves Systems

Triple7 Odour Control assists in effluent breakdown, lowers oxygen demand, keeps pipework clean, improves oil/water separation and helps in reducing overall sludge volume. **Triple7 Odour Control** has no added salt loadings, improves clarification & soil percolation and removes odours. It is suitable for use in septic systems, grey water/irrigation re-use systems and low water-use toilets.

Composition

Triple7 Odour Control does not contain petroleum products, glycol ethers, terpenes, strong acids or caustics, phosphates or volatile organic compounds (VOCs).
