

GritMitts[®]

GET SOME GRIT ON YA MITTS!

GritMitts combines the cleansing power of pumice, a light volcanic rock, with the deep cleaning strength of natural citrus oils.

It effectively and easily removes stubborn stains, odours, ingrained dirt, grease, grime, oil, stubborn paints, inks, and solvents.

Made in Australia, GritMitts is a powerful, heavy duty hand cleaner that does the job that ordinary hand soap can't, while being free of harsh chemicals.

KEY FEATURES

- Contains moisturisers to keep hands soft
- Will not irritate skin
- Deep cleans without harsh chemicals
- Made in Australia
