

AIRCRAFT & METAL CLEANER[®]

BIO-BASED AIRCRAFT EXTERIOR & SOFT METAL CLEANSER

Bio-based Cleaner and Degreaser

Triple7 Aircraft & Metal Cleaner is a low to moderate sudsing, highly-concentrated surfactant cleaner and degreaser that is used in the most difficult cleaning situations for the removal of all hydrocarbon soils including petroleum derivatives, fats, oils, greases, lipids, proteins and sugars.

Uses include:

- Aircraft cleaning
- Vehicle maintenance
- Manufacturing processes
- Transportation
- Garbage compactors
- Marine

BENEFITS

- Non-toxic
- Non-corrosive
- Non-flammable
- Retards tarnish
- Easier maintenance
- Lowers disposal costs
- Milspec approved

AIRCRAFT & METAL CLEANER[®]

BIO-BASED AIRCRAFT EXTERIOR & SOFT METAL CLEANSER

Effective and Cost Saving

Triple7 Aircraft & Metal is highly-concentrated and removes heavy deposits. It can be used for many applications and can be filtered and re-used. **Triple7 Aircraft & Metal** is non-tarnish and designed for soft metals including magnesium & aluminium. It is water miscible, temperature stable and has a long shelf life.

Improves Performance

Triple7 Aircraft & Metal eliminates odours, enhances oil and water separation, improves system performance, and releases soiling without reacting with the cleaning surface.

Enhances Workplace Safety

- Non-toxic, non-hazardous & non corrosive
- Non-reactive with other chemicals to minimise hazardous conditions
- No special storage & handling requirements
- Free of toxic cleaning fumes & Volatile Organic Compounds (VOCs)

Environmentally Responsible

- Readily-biodegradable
- Free of hazardous air pollutants & ozone-depleting chemicals
- Kind to nature's ecosystems
- Free of petroleums, glycol ethers, phosphates, lauryl sulphates, caustics, builders & reagents

Application

Triple7 Aircraft & Metal may be used in all types of machine applications; e.g. soak tanks, manufacturing process cleaning, pressure washers, steam cleaners, closed cabinets, ultrasonics, and centrifugal machines.

The product is applied by spray, dip or any mechanical means, without creating hazardous conditions.

Part No #	Description	Size
AAAM-5	Triple7 Aircraft & Metal	5 Litre
AAAM-20	Triple7 Aircraft & Metal	20 Litre
AAAM-200	Triple7 Aircraft & Metal	200 Litre
AAAM-BB	Triple7 Aircraft & Metal	1000 Litre
